

## Working Group: on Masterclasses in new countries

# Overview of ATLAS countries

ATLAS Countries we said we would contact or encourage from last IPPOG:

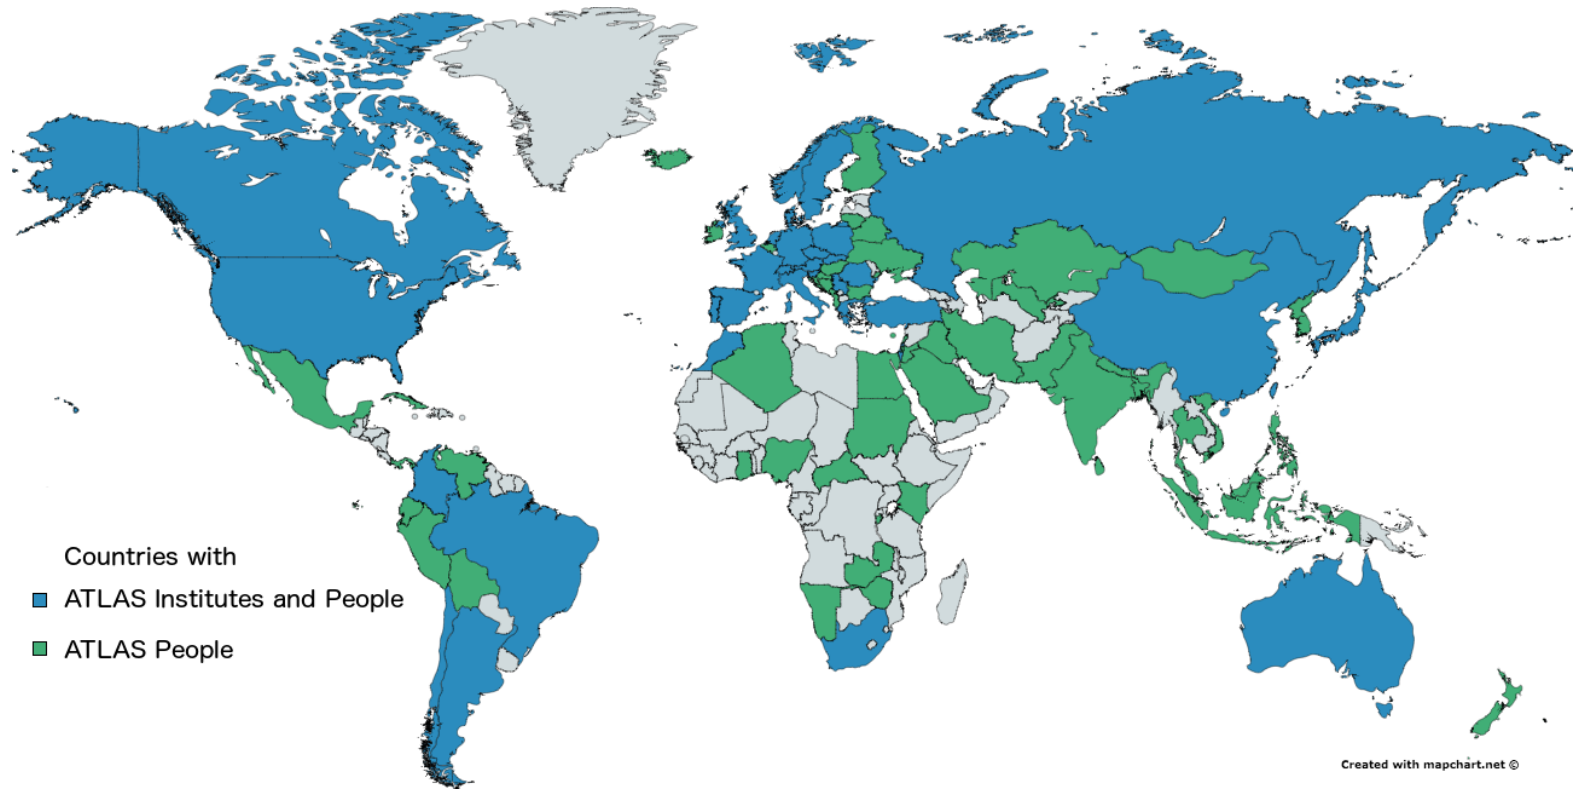

- Armenia
- Azerbaijan
- Belarus
- ✓ Georgia
- Hong Kong
- Taiwan

# Overview of ATLAS countries

**ATLAS: We should encourage ALL countries to join**

+ We should encourage ATLAS people from non-ATLAS countries to run MCs!

# Physics Without Frontiers

Last year we ran MC at the University level in: Lebanon, Nepal, Palestine, Venezuela, Colombia

This year we are expanding rapidly, also extending outside particle physics.  
(Could include Ghana, Nigeria, Kenya, Tanzania, Peru, Puerto Rico, Bangladesh...)
